P.O. Box 1450
Alexandria, VA 22313-1450

On February 25, 2005 and March 3, 2005, Applicant's Representative Marvin Beekman telephoned Examiner Trinh Vo Dinh, to discuss the claims. Applicant thanks the Examiner for the courtesy extended in conducting the interview and in making the examiner's amendments. During the February 22, 2005 telephone conversation, Applicant's Representative Marvin Beekman elected claims 1-19 for prosecution. During the March 3, 2005 telephone conversation, Applicant's Representative agreed to amend claims 7 and 18 to comply with 35 U.S.C. 112 second paragraph, and to cancel non-elected claims 20-26 in order to place the application in condition for allowance. Agreement was reached as stated in the Interview Summary. The Examiner's Amendment to claim 7, line 2, which changes "insulator" to -- the at least one coil portion -- causes claim 7 to recite . . . , *at least one electrostatic conductor positioned around the the at least one coil portion*,. . . Applicant respectfully requests the Examiner to review claim 7 and the Examiner's amendment to avoid reciting "the" twice before at least one coil portion.

Respectfully submitted,
